PROGRAM SUMMARY

The Hospitality & Tourism Management Diploma Program is designed for individuals seeking the knowledge and skills to enter the field of Hospitality & Tourism. Employment opportunities for Hospitality Management exist in hotels, resorts settings, the food & beverage industry, and other service establishments. This program offers courses in Hospitality & Tourism Management Theory and Practice, Service Skills, Guest Interaction and Hospitality Science. This two-year program will introduce students to the hospitality industry and teach them the management principles that will enable them to achieve success in a hospitality leadership role.

CAREER OPPORTUNITIES

After successful completion of our Hospitality & Tourism Management Diploma Program you'll have access to a worldwide industry that is in high demand across Canada right now. Accommodation Service, Food and Beverage Managers are responsible for planning, organizing, directing, controlling and evaluating the operations of an accommodation establishment or of a department within such an establishment. They are employed by hotels, motels, resorts, student residences and other accommodation establishments, and have the option to be self-employed as well.

CO-OP: Hospitality & Tourism Management students complete their education with 360 hours of field placement experience

JOB SEARCH WORKSHOPS ARE INCLUDED AS PART OF THE COURSE.
