

Sexual Violence Policy

CENTRAL COLLEGE OF BUSINESS & TECHNOLOGY

1. Central College of Business & Technology (CCBT) has adopted this Sexual Violence Policy, which defines sexual violence and outlines its training, reporting, investigative and disciplinary responses to complaints of sexual violence made by its students that have occurred on its campus, or at one of its events and involve its students.
2. The person accused of engaging in sexual violence will be referred to as the “Respondent” and the person making the allegation as the “Complainant”.

2. Definition of Sexual Violence

Sexual violence means any sexual act or act targeting a person’s sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened, or attempted against a person without the person’s consent, and includes sexual assault, sexual harassment, stalking, indecent exposure, voyeurism, and sexual exploitation.

3. Training, Reporting and Responding to Sexual Violence

1. CCBT shall provide students with a copy of the Sexual Violence Policy and the acknowledgement of same will be made on the enrolment contract. A copy of the Sexual Violence Policy will be provided to all CCBT Instructors, Administrative staff and any other staff and training to them about the policy and its processes of reporting, investigating, and responding to complaints of sexual violence involving its students will occur.
2. The complete Sexual Violence Policy shall be published on the website and posted on the campus noticeboard. Additional copies can be provided upon request.
3. If students, in good faith, report an incident of, or make a complaint about, sexual violence, they will not be subject to discipline or sanctions for violations of CCBT’s Policies relating to drug or alcohol use at the time the alleged sexual violence occurred.
4. Students who disclose their experience of sexual violence through reporting an incident of, making a complaint about, or accessing supports and services for sexual violence, will not be asked irrelevant questions during the investigation process by CCBT’s staff or investigators, including irrelevant questions relating to the student’s sexual expression or past sexual history.
5. Any person subject to, or witnessing incidents of, or complaints of, sexual violence will report to the **Student Support Officer, Riya Chatterjee at: riya@central-college.ca**; upon becoming aware of them.

6. Students who have been affected by sexual violence or who need information about support services should contact the **Student Support Officer, Riya Chatterjee**.
7. Subject to Section 4, to the extent it is possible, CCBT, will attempt to keep all personal information of persons involved in the investigation confidential except in those circumstances where it believes an individual is at imminent risk of self-harm, or of harming another, or there are reasonable grounds to believe that others on its campus or the broader community are at risk. This will be done by
 1. ensuring that all complaints/reports and information gathered because of the complaint/reports will be only available to those who need to know for purposes of investigation, implementing safety measures and other circumstances that arise from any given case; and
 2. ensuring that the documentation is kept in a separate file from that of the Complainant/student or the Respondent.
8. CCBT recognizes the right of the Complainant not to report an incident of or make a complaint about sexual violence or not request an investigation and not to participate in any investigation that may occur.
9. Notwithstanding (I), in certain circumstances, CCBT, may be required by law or its internal policies to initiate an internal investigation and/or inform police without the complainant's consent if it believes the safety of members of its campus or the broader community is at risk.
10. In all cases, including (f) above, CCBT will appropriately accommodate the needs of its students who are affected by sexual violence. Students seeking accommodation should contact the **Student Support Officer** in this regard. CCBT will assist students who have experienced sexual violence in obtaining counselling and medical care and provide them with information about sexual violence support and services available in the community as set out in **Appendix 1** attached hereto. Students are not required to file a formal complaint in order to access support and services.
11. CCBT does not require that students provide any formal documentation for the purposes of accessing or inquiring about sexual assault or sexual violence support services.

4. Investigating Reports of Sexual Violence

1. Under this Sexual Violence Policy, any student of CCBT may file a report of an incident or a complaint to the **Student Support Officer** in writing. Upon receipt of a report of an incident or a complaint of alleged sexual violence being made, the **Student Support Officer** will respond promptly and:
 - determine whether an investigation should proceed and if the Complainant wishes to participate in an investigation.
